

## Updates on our Church Family

- We lift up **Darlene Nordman** in our prayers. After feeling sick for many weeks, she went into the hospital, and they concluded it has to do with her heart. She will have a procedure done at the Heart Hospital in the near future. She is currently at Sanford and hopes to be home by Friday. We pray for healing answers, rest and quick recovery.
- **Jean Volkens** will be having a total knee replacement on January 30th. Prayers for a successful surgery and a quick recovery.
- **Aaron VanHemert**, son of Lyle and Linda VanHemert, will leave for boot camp at Fort Sill, Oklahoma. We pray God watch over Aaron and provide the mental and physical strength needed. We thank him for his service.
- **Marlene Kooi** had a total knee replacement on January 23. The surgery went well, and she's recovering at home. She will now start therapy. She thanks all for their prayer support.
- **Linda Veenhof** had a total knee replacement on January 16th. Her surgery went well and is home recovering and doing well. She has no pain which was an answer to prayer. Praise the Lord. She is thankful for all the prayers.

## Note of Appreciation

Thank you for the many messages of sympathy we have received since our mother Caroline Veldkamp passed recently. We are thankful for our church family, and find peace in the promise of eternal life with our Lord and Savior Jesus Christ.

## Updates on our Extended Church Family

- After finishing all chemo and radiation treatments and follow up tests, **Chris Klinkenborg, son in law of Doug and Donna Van Roekel**, will have surgery on Jan 30th to remove the growth. Prayers the growth can be completely removed. The family appreciates all the previous prayers and concerns.
- **Jodi Burbach's dad, Merlin Groen**, fell on the ice earlier this week, hitting his head. Scans showed that there was damage around the C6 vertebrae. He has two surgeries since. He is currently at the Avera Brain and Spinal ICU, working on his recovery. Please pray for healing, patience in a slow recovery and no permanent damage.
- **Lynette Foltz's brother, Marlyn**, is in long-term care/hospice at the VA because he has lung fibrosis. Let us lift up Marlyn with many prayers.
- Continued prayers for **Daniel Peat**, nephew of Vince and Carol Yusten. Please continue to pray for Daniel, his wife, parents, and caregivers. We worship an awesome God. All things are possible through him!
- **Shaun Drummond's mom, Cindi**, had surgery on January 18th to remove a benign tumor pressing on her optical nerve. The surgery was successful, and they believe they got the entire tumor. Continued prayers still appreciated with a lengthy recovery.
