

Updates on our Church Family

- **Bev Droge** had eye surgery on May 11th for an infection in her good eye. She goes to the doctor about every two days, and they have increased her steroid eye drops to every two hours to get ahead of the inflammation in her left eye. She still has no vision in her left eye but has her peripheral vision in her right eye.
- **Reuben Oudman**, son of Dirk & Kjersten, has a tumor on his foot. The surgery on May 19th to remove the tumor was successful with no issues. They are still waiting on biopsy results, but are very grateful for a quick and issue-less surgery. Dirk and Kjersten are really grateful for all the prayers from the church family!
- **Lynette Foltz** will be in Omaha May 23rd - 25th for her evaluation testing. The testing will determine if she can be put on the liver transplant list. Prayers for peace of mind knowing that being on the list is needed but also means the kidneys are badly diseased.

Notes of Appreciation

- Thank you so much for all the prayers, calls, cards, texts and encouraging words over the past weeks. And a special thank you for the beautiful prayer quilt. Gayle continues to do well after his back surgery, and we are so thankful for our church family.
