

Music

Arrangements concerning music and musicians should be made in consultation with the Director of Music. If the organist you have chosen to play for your wedding is not a regular organist at First Reformed Church, we will expect you to make arrangements for them to meet with the Director of Music before the instrument will be made available to your organist. Discuss this with the Wedding Coordinator.

The musician can assist you in choosing music and have a number of selections available for you to choose from if you are not familiar with music for weddings.
